THE COURSE OUTLINE

The course takes place in an ecumenical context and is rooted in the Ignatian spiritual tradition.

It will start with an Opening Saturday on 16th October 2021 (10am – 1pm) and will be running for 3 terms. Each term consists of 3 monthly Thursday evening sessions (7pm to 9.15pm) – and a Closing Saturday, 16th of July (10am - 1pm).

Over the course we will be exploring together:

- ways of fostering our listening skills
- how we can become better attuned in our conversation with others
- what characterises a ‘spiritual’ conversation
- how we can help people sift their experience
- how we can help people in making decisions
- different contexts for Spiritual Conversation
- how we can create safe space for Spiritual Conversation

The course will include a mixture of input from the team, small group sharing, practical exercises and observed conversation practice. There will be some light reading and practice exercises between sessions and a short reflective piece of work at the end of each term, which can be undertaken in a range of different ways. Each participant will be offered a 1:1 tutorial per term.

The key aims of the course are:

- to become sensitive and alert to opportunities for spiritual conversation in everyday life
- to increase confidence to enter into spiritual conversations with others
- to grow in being alongside others in a discerning way
